### **DETAILED ACTION**

1. Claims 1, 3, and 5 – 9 have been examined.

#### ***Information Disclosure Statement***

2. The information disclosure statement (IDS) submitted on 16 May 2006 was filed after the mailing date of the final office action on 16 February 2006. The submission is in compliance with the provisions of 37 CFR 1.97. Accordingly, the information disclosure statement is being considered by the examiner.

### **INFORMAL EXAMINER'S AMENDMENT**

3. An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it **MUST** be submitted no later than the payment of the issue fee.

The application has been amended as follows:

4. Claim 1: Change "aid" to "said" in line 26 of the claim.
5. Claims 3, 5 – 6, and 8 – 9: Change the first word of each claim from "a" to "the" to avoid a 35 USC 112 2<sup>nd</sup> Paragraph rejection.
6. Claim 9: Change "aid" to "said" in line 5 of the claim.

The informal Examiners amendments are only to clear up minor grammatical errors and do not change the scope or content of the claims.

***Allowable Subject Matter***

7. Claims 1, 3, and 5 – 9 are allowed.

The following is an examiner's statement of reasons for allowance:

8. Claims 1, 3, and 5 – 6 are allowed because applicant has amended independent claim 1 to include subject matter indicated to be allowable in the last office action (now canceled claim 2) if the subject matter was rewritten in independent form including the limitations of the base claim and any intervening claims.

9. Claims 7– 9 are allowed because newly submitted independent claim 7 is a direct copy of originally filed independent claim 1, and additionally includes subject matter that was indicated as allowable in the last office action (now canceled claim 2) if the subject matter was rewritten in independent form including the limitations of the base claim and any intervening claims.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
